Arrive at Airport or Jetty. On arrival, our driver cum guide/ licensed tour guide will meet you and proceed for a Half Day Tour.

Tour A – pick up 9 am from hotel.

Telaga Harbour Park – is located on the road heading west past Langkawi International Airport. It used to be a small fishing village but is now a well-developed township that is home to transient and home base yachts as well as mega yachts and is the only such harbour town in the region.

Langkawi Chocoffee – A wide variety of chocolates are sold. The cool interior is a welcome respite from the blistering sun outside and the chocolates are reasonably priced.

Cable Car – Also known as Langkawi SkyCab, is one of the major attractions in Langkawi Island. It provides an aerial link from the Oriental Village at Teluk Burau to the peak of Gunung Machinchang, which is also the location of the Langkawi Sky Bridge.

SkyDome – Equipped with 12 projectors, SkyDome offered 360 degrees of 3D image projections which easily covered your field of view. The sensation is lifted into next dimension and further enhanced with high definition (HD). It will definitely plunge you into an unforgettable experience.

SkyRex – It provides a dynamic and totally immersive experience that takes sensory and physical simulation to a whole new level. An adrenaline inducing adventure that will excite, thrill and enthrall in equal measures.

3D Art Museum – It features more than one hundred 3D interactive paintings, artistically painted by a group of talented international artists. There are nine different theme zones that you will truly enjoy. Tour B – pick up 2.30 pm from hotel.

Galeria Perdana – The exhibits inside the museum are diverse in nature showcasing artistic, cultural and aesthetic dimensions from all over the world. There are over 9,000 exhibits. However only 2,000 are displayed at a time and in rotation so that every time you visit the Perdana Gallery, you are likely to see a different set of collection.

Langkawi Wildlife Park – You will now find over 150 different species of animals and birds from different parts of the world including South East Asia, Africa, South America, Australia, Russia and of course from Malaysia. You will find many funny and amazing creatures here.

Tanjung Rhu Beach – Located just beyond Pantai Pasir Hitam, Tanjung Rhu has one of Langkawi’s best shorelines. The waters are as clear as crystal, the sand is powder-fine and driving towards this beach you will have to pass a dense corridor of jungle. The area is absolutely secluded and the atmosphere is silent and peaceful.

Eagle Square – Located at the southeast corner of Pulau Langkawi, besides offering beautiful views of Kuah Bay, Eagle Square has beautiful miniature fountains, terraces and bridges, making it the ideal place for those postcard-perfect holiday photos.
